Python

PROFESSIONAL SUMMARY

Salesforce Developer with 3.5+ years of experience in designing, customizing, and deploying scalable Salesforce solutions. Skilled in Apex, Lightning Web Components (LWC), Visualforce, Flows, and API integrations, with hands-on expertise in triggers, test classes, CI/CD deployments, and data migration. Proven ability to collaborate with stakeholders to gather requirements and deliver optimized solutions that streamline business operations. Experienced in security implementation (roles, profiles, permission sets) and performance optimization to ensure system reliability. Certified Salesforce professional with a strong focus on delivering high-quality, business-driven outcomes.

WORK EXPERIENCE

Fujitsu Consulting India

Junior Technical Consultant

Aug - 2023 - Oct 2025

- Led the end-to-end development of scalable Salesforce solutions using Apex, LWC, and Flows for complex business processes.
- Collaborated directly with business stakeholders to gather requirements, design technical solutions, and deliver optimized implementations.
- Handled API integrations with external systems, ensuring seamless and secure data flow.
- Managed deployments through Change Sets and CI/CD pipelines, ensuring minimal downtime.
